Note:
The Draw Shot Challenge (DSC) is the average distance of all the individual Last Stone Draws (LSD), which were delivered by a team during the round robin. The two least favourable results will be eliminated before calculating the average distance. The team with the lesser DSC receives the higher ranking. If the DSCs are equal then the team with the best non-equal counting LSD receives the higher ranking. In the case where all counting LSDs are equal, the team ranked higher in the official WCF World Rankings is ranked higher.
