Note:

The Draw Shot Challenge (DSC) is the average distance of all the individual Last Stone Draws (LSD), which were delivered by a team during the round robin. The two least favourable results will be eliminated before calculating the average distance. The team with the lesser DSC receives the higher ranking. If the DSCs are equal then the team with the best non-equal counting LSD receives the higher ranking. In the case where all counting LSDs are equal, the team ranked higher in the official World Curling World Ranking is ranked higher.

Official Communication

Item: 1

Austria to forfeit remaining games at Olympic Qualification Event due to illness

Following an ongoing illness within the team, Team Austria have confirmed that they will be unable to compete and are forfeiting their remaining three games at the Olympic Qualification Event 2025.

Austrian pair, PFLUEGLER Verena and GENNER Mathias faced Czechia, losing 15-2, in their opening game on Saturday (13 December). The team then forfeited their next three games due to illness with the intention of returning to the ice. However, that has not been possible and the team have now officially forfeited their remaining games.

There are no alternate players in mixed doubles curling. If either player from a mixed doubles team is unable to compete, the team are forced to forfeit their games until both players are available.

Austria will receive losses and the Did Not Finish (DNF) designation in the official standings.
