At the conclusion of the team's pre-game practice two players, one of each gender, deliver one stone each to the tee at the home end. The distances recorded for each stone are added together to give the team its Last Stone Draw total. The team with the lesser Last Stone Draw total has the choice of delivering first or second stone in the first end.

The first named team in each game plays the stones with the dark coloured handles, and wears dark coloured upper playing garments. The second named team in each game plays the stones with the light coloured handles, and wears light coloured upper playing garments.

Note:

The Draw Shot Challenge (DSC) is the average distance of all the individual Last Stone Draws (LSD), which were delivered by a team during the round robin. The least favourable result for each team will be eliminated before calculating the average distance. The team with the lesser DSC receives the higher ranking. If the DSCs are equal then the team with the best non-equal counting LSD receives the higher ranking. In the case where all counting LSDs are equal, the team ranked higher in the WCF World Rankings is ranked higher.

Note:

Please check online for more details and the latest updates.

For all games in the Mixed Doubles, the teams will toss a coin to decide first and second practice. At the conclusion of the team's pre-game practice, both players deliver one stone each to the tee at the home end. The distances recorded for each stone are added together to give the team its Last Stone Draw total. The team with the lesser Last Stone Draw total has the choice of delivering first or second stone in the first end.

The first named team in each game plays the stones with the dark coloured handles, and wears dark coloured upper playing garments. The second named team in each game plays the stones with the light coloured handles, and wears light coloured upper playing garments.

Note:

The Draw Shot Challenge (DSC) is the average distance of all the individual Last Stone Draws (LSD), which were delivered by a team during the Mixed Doubles event. The least favourable result for each team will be eliminated before calculating the average distance. The team with the lesser DSC receives the higher ranking. If the DSCs are equal then the team with the best non-equal counting LSD receives the higher ranking. The round of 6 loser with the best Draw Shot Challenge will advance to the semi-finals.
